## INDEPENDENT AUDITOR'S REPORT

The Administrative Committee of  
of Ocean County Municipal Joint Insurance Fund

### Report on the Audit of the Financial Statements

#### *Opinion*

We have audited the accompanying financial statements of the Ocean County Municipal Joint Insurance Fund (hereafter referred to as the "Fund") as of and for the years ended December 31, 2021 and 2020, and the related notes to the financial statements, which collectively comprise the Fund's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Fund, as of December 31, 2021 and 2020, and the respective changes in financial position for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and in compliance with audit standards prescribed by the Department of Banking and Insurance and the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fund, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards* and audit standards prescribed by the Department of Banking and Insurance and the Division of Local Government Services, Department of Community Affairs, State of New Jersey will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards* and audit standards prescribed by the Department of Banking and Insurance and the Division of Local Government Services, Department of Community Affairs, State of New Jersey, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and other required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **Other Information**

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated May 12, 2022 on our consideration of the Fund's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Fund's internal control over financial reporting and compliance.

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

The Administrative Committee  
of Ocean County Municipal Joint Insurance Fund

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and audit requirements as prescribed by Department of Banking and Insurance and the Division of Local Government Services, Department of Community Affairs, State of New Jersey, the financial statements of the Ocean County Municipal Joint Insurance Fund, (herein referred to as “ the Fund”), as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the Fund’s basic financial statements and have issued our report thereon dated May 12, 2022.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Fund’s internal control over financial reporting internal control to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Fund’s internal control. Accordingly, we do not express an opinion on the effectiveness of Fund’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Fund's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and audit requirements as prescribed by the Department of Banking and Insurance and the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Fund's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Audit Standards* and audit requirements as prescribed by the Department of Banking and Insurance and by the Division of Local Government Services, Department of Community Affairs, State of New Jersey in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REQUIRED SUPPLEMENTARY INFORMATION**

## **OCEAN COUNTY MUNICIPAL JOINT INSURANCE FUND**

### **Management Discussion and Analysis**

This section of the annual financial report of the Ocean County Municipal Joint Insurance Fund (the "Fund") presents a discussion and analysis of the financial performance of the Fund for the years ended December 31, 2021, 2020 and 2019. Please read it in conjunction with the basic financial statements, the notes and supplementary schedules that follow this section.

#### **Overview of Basic Financial Statements**

The Fund's basic financial statements are prepared on the basis of accounting principles generally accepted in the United States of America for governmental entities and insurance enterprises where applicable. The primary purpose of the Fund is to provide property and casualty insurance for municipalities and other public entities that are members of the Fund. The Fund maintains separate enterprise funds by incurred years and line of coverage. The basic financial statements are presented on an accrual basis of accounting. The three basic financial statements presented are as follows:

**Statement of Net Position**– This statement presents information reflecting the Fund's assets, liabilities and net position. Net position represents the amount of total assets less total liabilities.

**Statement of Revenue, Expenses, and Changes in Net Position** – This statement reflects the Fund's operating revenues and expenses, as well as non-operating items during the reporting period. The change in net position for an enterprise fund is similar to net profit or loss for any other insurance company.

**Statement of Cash Flows** – The statement of cash flows is presented on the direct method of reporting, which reflects cash flows from operating and investing activities. Cash collections and payments are reflected in this statement to arrive at the net increase or decrease in cash for the year.

#### **Financial Highlights**

The following tables summarize the financial position and results of operations for the Fund as of and for the years ended December 31, 2021, 2020 and 2019.

**OCEAN COUNTY MUNICIPAL JOINT INSURANCE FUND**  
**Management Discussion and Analysis**

The Ocean JIF's total assets increased by 0.97% and its total liabilities increased by 22.26%, resulting in a 29.52% decrease in unrestricted net position for the year ended December 31, 2021.

The provision for claims and claims expense increased by 14.88%. Insurance premium costs, which are assessments to excess, environmental and residual joint insurance funds that assume risk on behalf of the Ocean JIF, increased by 29.21%. RCF and MEL surplus trigger assessments decreased \$331,007 and \$292,558, respectively, for the year ended December 31, 2021.

In 2021 investment and dividend income decreased 58.29% resulting from a change in investment strategy. During the year ended December 31, 2021, the Fund transferred a portion of its investment portfolio to the Joint Cash Management and Investment Program

The Ocean JIF paid a dividend of \$900,000 in 2021 and \$1,000,000 in 2020.

The Ocean JIF's combined surplus for all years decreased by \$4,751,063 and \$1,101,795 for the years ended December 31, 2021 and 2020, respectively.

The future financial position of the Ocean JIF continues to be impacted by trends in medical costs which affect workers' compensation costs. The Ocean JIF continues to attempt to offset these trends by reducing accident frequency and severity, and by streamlining claims processing and management.

\*\*\*\*\*

OCEAN COUNTY MUNICIPAL JOINT INSURANCE FUND  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The Ocean County Municipal Joint Insurance Fund (the "Fund") was established on February 1, 1987, in accordance with P.L. 1983, C. 372, entitled "An act concerning joint insurance funds for local units of government, and supplementing Chapter 10 of Title 40A of the New Jersey Statutes". The Fund is both an insured and self-administered group of municipalities established for the purpose of insuring against the following:

- a) Property Damage/Faithful Performance and Employee Dishonesty
- b) General Liability
- c) Automobile Liability
- d) Worker's Compensation and Employer's Liability
- e) Public Officials Liability/Employment Practices Liability (POL/EPL)

The participating municipalities are also members of the Municipal Excess Liability Joint Insurance Fund which provides excess insurance for each of the coverages noted above, except for excess property coverage and POL/EPL which is purchased by the Fund from a commercial carrier. On July 1, 1995, the Fund became a member of the New Jersey Environmental Risk Management Fund which provides coverage for environmental impairment liability.

A participating municipality must remain in the Fund for the full term of membership unless terminated by a majority vote of the Fund Commissioners or a two-thirds vote of the Executive Committee for nonpayment of assessments or continued noncompliance after written notice to comply with the by-laws or other obligations. Termination may occur after proper notice has been given. The Fund's membership consisted of 31 municipalities at December 31, 2021.

The Fund is administered by PERMA Risk Management Services of Parsippany, New Jersey. Fees paid to the Executive Director encompass all administrative duties which are performed at the Executive Director's office. Accordingly, the Fund does not maintain any fixed assets or incur any payroll expense.

Component Unit

The primary criterion for including activities within the Fund's reporting entity, as set forth in Section 2100 of the GASB Codification of Governmental Accounting and Financial Reporting Standards, is whether:

- ◆ the organization is legally separate (can sue or be sued in their own name)
- ◆ the Fund holds the corporate powers of the organization
- ◆ the Fund appoints a voting majority of the organization's board
- ◆ the Fund is able to impose its will on the organization
- ◆ the organization has the potential to impose a financial benefit/burden on the Fund
- ◆ there is a fiscal dependency by the organization on the Fund

OCEAN COUNTY MUNICIPAL JOINT INSURANCE FUND  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Component Unit (continued)

Based on the aforementioned criteria, the Fund has no component units and is not includable in any other reporting entity.

Basis of Presentation

The financial statements of the Fund have been prepared in accordance with accounting principles generally accepted in the United States of America applicable to enterprise funds of State and Local Governments. The focus of enterprise funds is the measurement of economic resources, that is, the determination of operating income, changes in net position (or cost recovery), financial position and cash flows. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

Basis of Accounting

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements. Enterprise funds are accounted for using the accrual basis of accounting.

Revenues - Exchange and Non-Exchange Transactions - Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place.

Expenses - On the accrual basis of accounting, expenses are recognized at the time they are incurred.

Income Taxes

The Fund is a tax-exempt organization and is not subject to either federal or state income taxes. The Fund has a federal tax number for the purpose of reporting payments made to the providers of services.

Investments

Among the Fund's investment objectives are preservation of principal, diversification, and maximization of interest yield. The Fund invests in government securities with the intent of holding them until maturity. Investments are reported at fair value. Realized and unrealized gains and losses on investments are recognized as a component of investment income.

Fair Value Measurements of Investments

The Fund categorizes its fair value disclosures within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted process in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

Investment Income Allocation

Interest accruals, interest payments on cash instruments, net of investment management fees, and unrealized gains and losses on the fair value of investments are allocated every month based upon each line of coverage's share of opening cash and investment balances.

OCEAN COUNTY MUNICIPAL JOINT INSURANCE FUND  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Assessments

The exact terms and conditions of coverage are detailed in the Fund's Risk Management Plan. Assessments of the participating municipalities are determined by the actuary and certified by a vote of the Fund Commissioners. If the assets of the Fund were to be exhausted, Fund members would be subject to supplemental assessments in the event of such deficiencies.

Unpaid Claims Liabilities

The Fund establishes claims liabilities based on estimates of the ultimate cost of claims that have been reported but not settled, and of claims that have been incurred but not reported. The length of time for which such costs must be estimated varies depending on the coverage involved. Estimated amounts of salvage and subrogation and reinsurance recoverable on unpaid claims are deducted from the liability for unpaid claims. Because actual claims costs depend on such complex factors as inflation, changes in doctrines of legal liability, and damage awards, the process used in computing claims liabilities does not necessarily result in an exact amount, particularly for coverages such as general liability. Claims liabilities are recomputed periodically using a variety of actuarial and statistical techniques to produce current estimates that reflect recent settlements, claim frequency, and other economic and social factors. A provision for inflation in the calculation of estimated future claims costs is implicit in the calculation because reliance is placed both on actual historical data that reflect past inflation and on other factors that are considered to be appropriate modifiers of past experience. The Fund does not discount estimated claim liabilities. Adjustments to claims liabilities are charged or credited to expense in the periods in which they are made.

Loss Reserves:

Reported Claims Case Reserves

Case reserves include estimated unpaid claims cost for both future payments of losses and related allocated claim adjustment expenses as reported by the service agent, Qual-Lynx, Inc.

Claims Incurred But Not Reported (IBNR) Reserve

In order to recognize claims incurred but not reported, a reserve is calculated by the Fund's actuary, The Actuarial Advantage Inc. Case and IBNR Reserves represent the estimated liability on expected future development on claims already reported to the Fund plus claims incurred but not yet reported and unknown loss events that are expected to become claims. The liabilities for claims and related adjustment expenses are evaluated using Fund and industry data, case basis evaluations and other statistical analyses, and represent estimates of the ultimate net cost of all losses incurred through December 31, 2021. These liabilities are subject to variability between estimated ultimate losses determined as described and the actual experience as it emerges, including the impact of future changes in claim severity and frequency and other factors.

Management believes that the liabilities for unpaid claims above are adequate. The estimates are reviewed periodically and as adjustments to these liabilities become necessary, such adjustments are reflected in cumulative operations.

OCEAN COUNTY MUNICIPAL JOINT INSURANCE FUND  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Reinsurance

The Fund uses reinsurance agreements to reduce its exposure to large losses. The Fund is liable for the self-insured retention level that it has contracted with member municipalities. Losses in excess of the Fund's self-insured retention are contractual liabilities of the Municipal Excess Liability Joint Insurance Fund. Reinsurance premiums are included in the individual municipalities' assessments for the Municipal Excess Liability Joint Insurance Fund.

The amount of risk retained by the Fund is as follows:

- (a) Property Damage - \$100,000, less standard member deductible per occurrence.
- (b) General Liability - \$300,000 per occurrence.
- (c) Automobile Liability - \$300,000 per occurrence and \$15,000/\$30,000 for underinsured/uninsured motorist.
- (d) Worker's Compensation/Employer's Liability - \$300,000 per occurrence.
- (e) Faithful Performance and Employee Dishonesty - \$100,000, less standard member deductible per occurrence.

Excess insurance coverage is provided to the Fund's member local units by their membership in the MEL as follows:

- (a) General Liability and Automobile Liability - \$1,450,000 per occurrence, excess the Fund's \$300,000 retention. For General Liability, the \$3,250,000 excess the \$1,750,000 layer is subject to a \$5,000,000 annual aggregate limit per member. Optional limits are available to members upon request.
- (b) Worker's Compensation/Employer's Liability - \$1,700,000 per occurrence, excess the Fund's \$300,000 retention for Employer's Liability/statutory for Worker's Compensation.
- (c) Employment Practices Liability - \$2,000,000 per member annual aggregate limit, subject to a \$20,000-member deductible per occurrence, \$75,000 deductible per occurrence for member local units with unfavorable loss experience and 20% coinsurance of the first \$250,000 of loss. Members without an approved EPL Loss Control/Risk Management Program are subject to a \$100,000 deductible per occurrence and 20% of \$2,000,000. Optional limits are available to members upon request.
- (d) Faithful Performance and Employee Dishonesty - \$950,000 per occurrence, excess the fund's \$50,000 retention.
- (e) Property - \$125,000,000 per occurrence, excess of JIF SIR of \$50,000 and MEL SIR of \$200,000.

OCEAN COUNTY MUNICIPAL JOINT INSURANCE FUND  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Net Position

In accordance with the provisions of the Governmental Accounting Standards Board Statement 34, "Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments", the Fund has classified its net position as unrestricted. This component of net position consists of net positions that do not meet the definition of "restricted" or "net investment in capital assets" and includes net position that may be allocated for specific purposes by the Board.

Use of Estimates

Management of the Fund has made certain estimates and assumptions relating to the reporting of assets, liabilities and revenues and expenses to prepare these financial statements in conformity with accounting principles generally accepted in the United States of America. Actual results may differ from those estimates.

Administrative Expenses

Administrative expenses are comprised mainly of compensation for services rendered by servicing organizations and appointed officials pursuant to written fee guidelines submitted and approved by a majority of the Commissioners/Executive Committee. In instances where invoices have not been submitted for specific periods, the maximum allowable contract amount has been accrued.

Operating and Non-Operating Revenues and Expenses

Operating revenues include all revenues derived from member contributions. Non-operating revenues principally consist of interest income earned on various interest-bearing accounts and on investments in debt securities and positive changes in the Fund's investment in joint ventures. Operating expenses include expenses associated with the fund operations, including claims expense, insurance and administrative expenses. Non-operating expenses include negative changes in the Fund's investment in joint ventures.

Subsequent Events

The Fund has evaluated subsequent events occurring after December 31, 2021 through the date of , which is the date the financial statements were available to be issued.

NOTE 2: LOSS RESERVES

The liability for unpaid losses and loss adjustment expenses represent an estimate of the ultimate net cost of all losses and loss adjustment expenses incurred but not yet paid as of December 31, 2021. This estimate is based on the estimated ultimate cost of settling the claims considering the historical experience of the Fund, various other industry statistics, including the effects of inflation and other societal or economic factors, and the Fund's self-insured retention level. Management believes that the liability for unpaid losses is adequate to cover the ultimate cost of reported and unreported claims incurred but not yet paid. However, the ultimate cost may be more or less than the estimated liability. The unpaid losses are stated net of any estimated recoveries from excess insurance, salvage or subrogation. The Fund's actuary and servicing agent have estimated the following loss reserves at December 31, 2021 and 2020:

OCEAN COUNTY MUNICIPAL JOINT INSURANCE FUND  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 2: LOSS RESERVES (CONTINUED)

	<u>2021</u>	<u>2020</u>
Case Reserves	\$16,710,129	\$12,933,766
Losses Incurred But Not Reported ("IBNR")	<u>8,947,929</u>	<u>8,950,145</u>
Total	<u>\$25,658,058</u>	<u>\$21,883,911</u>

The following represents changes in the aggregate reserves for the Fund for the years ended December 31, 2021 and 2020 and for all open Fund years:

	<u>2021</u>	<u>2020</u>
Unpaid Claims and Claim Adjustment Expenses, Beginning of Year	\$ 21,883,911	\$ 20,612,800
Incurred Claims and Claim Adjustment Expenses:		
Provision for Insured Events of the Current Period	12,225,888	10,848,403
Increases in Provision for Insured Events of Prior Years	<u>(132,795)</u>	<u>1,730,803</u>
Total Incurred Claims and Claim Adjustment Expenses	33,977,004	33,192,006
Payments:		
Claims and Claim Adjustment Expenses Attributable to Insured Events for the Current Period	2,276,494	2,659,943
Claims and Claim Adjustment Expenses Attributable to Insured Events for the Prior Years	<u>6,042,452</u>	<u>8,648,152</u>
Total Payments	<u>8,318,946</u>	<u>11,308,095</u>
Total Unpaid Claims and Claim Adjustment Expense, End of Year	<u>\$ 25,658,058</u>	<u>\$ 21,883,911</u>

The Fund also maintains a contract for excess insurance for the Property Fund which covers losses in excess of an amount established between the Fund and the insurer up to the limits of coverage set forth in the insurance contract on a specific occurrence, or per accident or annual aggregate basis.

A contingent liability exists with respect to insurance coverage which would become an actual liability in the event the insuring company might be unable to meet its obligations to the Fund under existing insurance agreements.

NOTE 3: CASH AND CASH EQUIVALENTS

Cash and cash equivalents include amounts in deposits, money market accounts, short-term investments with original maturities of three months or less. In addition, certain short-term money market investments are reported at amortized costs and included in the financial statements as cash equivalents.

OCEAN COUNTY MUNICIPAL JOINT INSURANCE FUND  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 3: CASH AND CASH EQUIVALENTS (CONTINUED)

GASB requires disclosure of the level of custodial credit risk assumed by the Fund in its cash, cash equivalents and investments, if those items are uninsured or unregistered. Custodial risk is the risk that in the event of bank failure, the government’s deposits may not be returned.

Interest Rate Risk – In accordance with its cash management plan, the Fund ensures that any deposit or investments matures within the time period that approximates the prospective need for the funds, deposited or invested, so that there is not a risk to the market value of such deposits or investments.

Credit Risk – The Fund limits its investments to those authorized in its cash management plan which are permitted under state statutes as detailed in Note 4.

Custodial Credit Risk – The Fund’s policy with respect to custodial credit risk requires that the Fund ensures that Fund’s cash and cash equivalents are only deposited in financial institutions in which New Jersey insurance funds are permitted to invest their cash and cash equivalents.

New Jersey statutes permit the deposit of public funds in institutions located in New Jersey, which are insured by the Federal Deposit Insurance Corporation (FDIC) or by any other agencies of the United States that insure deposits or the State of New Jersey Cash Management Fund.

New Jersey statutes require public depositories to maintain collateral deposits or public funds that exceed insurance limits as follows:

The market value of the collateral must equal 5% of the average daily balance of public funds; and in addition

If the public funds deposited exceed 75% of the capital funds of the depository, the depository must provide collateral having a market value equal to 100% of the amount exceeding 75%.

All collateral must be deposited with the Federal Reserve Bank, the Federal Home Loan Bank Board or a banking institution that is a member of the federal reserve system and has capital funds of not less than \$25,000,000.

As of December 31, 2021 and 2020, cash and cash equivalents of the Fund consisted of the following:

	2021	2020
Checking Accounts	\$ 6,405,970	\$ 1,908,588
Money Market Accounts	1,660	1,980,750
JCMI	9,937,531	-
	\$ 16,345,161	\$ 3,889,338

The carrying amount of the Fund's cash and cash equivalents at December 31, 2021 and 2020 were \$16,345,161 and \$3,889,338, respectively. The bank balances as of December 31, 2021 and 2020 were \$16,710,431 and \$4,403,130, respectively. The \$9,937,531 and \$0 as of December 31, 2021 and 2020 is invested with BNY Mellon and is uninsured and unregistered. As of December 31, 2021 and 2020, \$250,000 was covered by federal depository insurance for each year and the remaining \$6,522,900 and \$4,153,130 was collateralized under GUDPA, respectively.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 3: CASH AND CASH EQUIVALENTS (CONTINUED)

Joint Cash Management and Investment Program

The Joint Cash Management and Investment program (the “JCMI”) was formulated under P.L. 2018 Chapter 40 of the New Jersey Statutes which allowed Joint Insurance Funds to pool their funds and broaden the investments that they are permitted to use. The law provides conservative restrictions as to these investments. Specifically, the investment must be purchased at fair market value, guaranteed as interest and principal, and must have a credit rating of A3 or higher by Moody’s Investor Service, or an A- or higher by Standard and Poors Corporation. The maturity cannot be greater than 20 years. In addition, only 50% of the investment portfolio may be comprised of such long-term investments, without prior approval of the New Jersey Department of Community Affairs.

The JCMI Operating Committee is constituted as follows: Treasurer of the Fund, of the New Jersey Municipal Environmental Risk Management Fund, of the Municipal Excess Liability Residual Claims Fund, and one treasurer representing all local participating Joint Insurance Funds plus the Chair of the Fund Investment Committee or its designee from the Investment Committee. The Investment Committee’s decisions are made at the recommendation of an experienced and licensed Financial Advisor, Asset Manager, presented to the JCMI Operations Committee for approval; all within the guidelines set forth by the law. The results of the operation will be reported on a “unitized” type basis whereby each participating Fund and their investment will be tracked, charted and reported on a monthly basis. That, too, will be maintained, compensated for, monitored and information provided by the JCMI.

In addition to the monthly reporting, the JCMI will also report as follows:

Quarterly - The Asset Manager will provide the JCMI Operations Committee, the Fund and each participating Joint Insurance Fund with detailed information about the program including asset allocation, investment performance, future investment strategies, and other matters of interest to the JCMI Operations Committee. The Financial Advisor shall provide the JCMI Operations Committee with detailed information about the Municipal Bond Anticipation Notes purchased, the rate purchased and the savings to the issuer based on the cover bid made.

Annually - The Custodian will provide an annual summary of all transactions in each fiscal year, together with a report of investment performance for the year by portfolio, to the JCMI Operations Committee and each participating Joint Insurance Fund. Investment objectives will be reviewed to determine if they are being met.

NOTE 4: INVESTMENTS

New Jersey statutes permit the Fund to purchase the following types of securities:

- (1) Bonds or other obligations of the United States of America or obligations guaranteed by the United States of America;
- (2) Government money market funds;
- (3) Any obligation that a federal agency or a federal instrumentality has issued in accordance with an act of Congress, which security has a maturity date not greater than 397 days from the date of purchase, provided that such obligations bears a fixed rate of interest not dependent on any index or other external factor;
- (4) Bonds or other obligations of local units or bonds or other obligations of school districts of which the local units are part or within which the school district is located;

OCEAN COUNTY MUNICIPAL JOINT INSURANCE FUND  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 4: INVESTMENTS (continued)

(5) Bonds or other obligations, having a maturity date not more than 397 days from the date of purchase, issued by the New Jersey school districts, municipalities, counties, and entities subject to the “Local Authorities Fiscal Control Law” P.L. 1983, c. 313 (C.40A:5A-1 et seq.) Other bonds or obligations having a maturity date not more than 397 days from the date of purchase may be approved by the Division of Local Government Services in the Department of Community Affairs for investment by local units;

(6) Local government investment pools;

(7) Deposits with the State of New Jersey Cash Management Fund established pursuant to section 1 of P.L. 1977, c.281 (C:52:18A-90.4); or

(8) Agreements for the repurchase of fully collateralized securities if:

(a) the underlying securities are permitted investments pursuant to paragraphs (1) and (3) of this subsection a. or are bonds or other obligations, having a maturity date not more than 397 days from the date of purchase, issued by New Jersey school districts, municipalities, counties and entities subject to the “Local Authorities Fiscal Control Law”, P.L. 1983 c.313 (C.40A:5A-1 et seq.);

(b) the custody of collateral is transferred to a third party;

(c) the maturity of the agreement is not more than 30 days;

(d) the underlying securities are purchased through a public depository as defined in section 1 of P.L. 1970, c.236 (C.17:9-41); and

(e) a master repurchase agreement providing for the custody and security of collateral is executed.

(9) Debt obligations of federal agencies or government corporations with maturities not to exceed 10 years from the date of purchase, excluding mortgage backed or derivative obligation, provided that the investments are purchased through the State Division of Investment and are invested consistent with the rules and regulations of the State Investment Council.

All of the Fund’s investments are recorded at fair value based on quoted market prices (Level 1 inputs). The investments are held by the Fund’s custodial bank trust department in the Fund’s name. The bank’s trust department is also its agent in purchasing and selling the securities. The investments are uninsured and unregistered. All of the funds held by the custodial bank are held in a fiduciary account, in the Fund’s name, and are backed by the full faith and credit of the U.S. Government. As such, they are protected in the event of bankruptcy of the bank. Investments at December 31, 2021 and 2020 consisted of the following recurring fair value measurements as Level 1 inputs:

OCEAN COUNTY MUNICIPAL JOINT INSURANCE FUND  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 4: INVESTMENTS (continued)

	Balance	Weighted	Balance	Weighted
	<u>Dec. 31, 2021</u>	<u>Average Maturity</u> <u>in Month</u>	<u>Dec. 31, 2020</u>	<u>Average Maturity</u> <u>in Month</u>
United States Treasury Notes	\$ 16,421,810	15.52	\$ 27,628,323	9.45
	<u>\$ 16,421,810</u>	<u>15.52</u>	<u>\$ 27,628,323</u>	<u>9.45</u>

Custodial Credit Risk

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Fund will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. Investment securities are exposed to custodial credit risk if the securities are uninsured, are not registered in the name of the Fund, and are held by either the counterparty or the counterparty's trust department or agent but not in the Fund's name.

Interest Rate Risk

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Fund does not have a formal policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk

Credit risk is the risk that an issuer or counterparty to an investment will not fulfill its obligations. N.J.S.A. 40A:5-15.1 limits the investments that the Fund may purchase such as Treasury securities in order to limit the exposure of governmental units to credit risk. The Fund has no investment policy that would further limit its investment choices.

The Fund does not place a limit on the amount that may be invested in any one issuer. All of the Fund's investments are either in U.S. Treasury Notes or Mortgage Backed Securities.

In accordance with GASB 72, investments are stated at fair value. Investments at December 31, 2021 and 2020 consisted of FNMA, FHLB and FHLMC notes and all of the Fund's investments were in U.S. agencies, which carry the explicit guarantee of the U.S. government. The average maturity of the total portfolio was 3 years.

NOTE 5: MEMBERSHIP IN RESIDUAL CLAIMS FUND

The Fund is a member of the Municipal Excess Liability Residual Claims Fund (the "Residual Fund"). The Residual Fund is a risk-sharing public entity risk pool that is a self-administered group of joint insurance funds established for the purpose of assuming and discharging the liabilities associated with loss reserves of participating members from the fund years prior to January 1, 2017. The transfer of these loss reserves to the Residual Fund results in the closing of the pre-2017 fund years. Each member appoints an official to represent their respective joint insurance fund for the purpose of creating a governing body from which officers for the Residual Fund are elected.

OCEAN COUNTY MUNICIPAL JOINT INSURANCE FUND  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 5: MEMBERSHIP IN RESIDUAL CLAIMS FUND (CONTINUED)

If the assets of the Residual Fund were to be exhausted, members would become jointly and severally liable for the Residual Fund's liabilities and be subject to supplemental assessments in the event of deficiencies. The Residual Fund can declare and distribute dividends to members upon approval of the State of New Jersey Department of Insurance. These distributions are divided among the members in the same ratio as their individual assessment related to the total assessment of the membership for that fund year.

NOTE 6: TRANSFERS

An Intertrust Fund Transfer is a transfer of funds from one claim or loss retention fund account in a fiscal year to another account within the same fiscal year. An Interyear Fund Transfer is a transfer from a claim or loss retention trust account for a fiscal year, to a claim or loss retention trust account of similar risk of liability for a different fiscal year. All transfers must be approved by the Commissioners of the Departments of Community Affairs and Insurance.

NOTE 7: DIVIDEND DISTRIBUTION PAYABLE

Section B of N.J.A.C. 11:15-2.21 provides that a joint insurance fund may seek approval from the State of New Jersey Department of Insurance for refunds from any claim fund which has been completed for not less than twenty-four months.

On October 14, 2021, the Fund's Executive Committee authorized a \$900,000 dividend from the Closed Fund Year. The fund received distributions of net position from the New Jersey Environmental Risk Management fund of \$414,057 for the year ended December 31, 2021. The participating members offset their subsequent year assessments with the respective share of the distribution. The Dividend Payable balance at December 31, 2021 is \$626,965.

On October 8, 2020, the Fund's Executive Committee authorized a \$1,000,000 dividend from the Closed Fund Year. The fund received distributions of net position from the New Jersey Environmental Risk Management fund of \$341,651 for the year ended December 31, 2020. The participating members offset their subsequent year assessments with the respective share of the distribution. The Dividend Payable balance at December 31, 2020 is \$443,989.

NOTE 8: DEFICIT FUND EQUITY

At December 31, 2021, the following individual retained earnings accounts were in a deficit position – (see Exhibits D through D-4):

Fund Year 2018

Workers' Compensation Fund	3,672,093
Automotive Liability Fund	270,520

Fund Year 2019

Automotive Liability Fund	177,537
---------------------------	---------

Fund Year 2020

Property Fund	223,023
Automotive Liability Fund	59,646
General Liability Fund	111,303

OCEAN COUNTY MUNICIPAL JOINT INSURANCE FUND  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 8: DEFICIT FUND EQUITY (CONTINUED)

Fund Year 2021

Property Fund	639,909
Workers' Compensation Fund	1,431,244

Currently, the Fund has no plans to levy an additional assessment to the participating municipalities to eliminate the above deficits. Changes in the loss reserves for each account should eliminate the above deficits; however the Closed Years Contingency Fund will cover any remaining deficits.

NOTE 9: FUND EQUITY

The State of New Jersey has no statutory minimum fund equity requirements. The combined fund balance of all assessment years is \$5,368,398 and \$9,065,403 at December 31, 2021 and 2020, respectively.

NOTE 10: RELATIONSHIP WITH STATE SCHEDULES

The information in the Fund's financial statements differs from the State Schedules listed in the supplementary data section as Schedules A through F. Specifically, the Schedules present historical information from the inception of each fund year. In addition, the financial statements reflect the Fund's equity interest in joint ventures. The Supplementary Schedules do not reflect the equity interest in joint ventures.

NOTE 11: JOINT VENTURES

Municipal Excess Liability Residual Claims Fund

The Fund is currently a member of the Municipal Excess Liability Residual Claims Fund (the "Residual Fund"). The Residual Fund is a risk-sharing public entity risk pool that is a self-administered group of joint insurance funds established for the purpose of assuming and discharging the liabilities associated with loss reserves of participating members. The transfer of loss reserves to the Residual Fund results in the closing of fund years and the unencumbering of the retained earnings related to those closed fund years. Each member appoints an official to represent their respective joint insurance fund for the purpose of creating a governing body from which officers for the Residual Fund are elected.

As a member of the Residual Fund, the Fund could be subject to supplemental assessments in the event of deficiencies. If the assets of the Residual Fund were to be exhausted, members would become jointly and severely liable for the Residual Fund's liabilities.

The Residual Fund can declare and distribute dividends to members upon approval of the State of New Jersey Department of Insurance. These distributions are divided among the members in the same ratio as their individual assessment relates to the total assessment of the membership for that fund year. In accordance Statement No. 10 of the Government Accounting Standards Board, these distributions are used to reduce the amount recorded for the Fund's membership assessment in the year in which the distribution was declared.

Municipal Excess Liability Joint Insurance Fund

Effective July 1, 1998, the Fund became a member of the Municipal Excess Liability Joint Insurance Fund (the "MEL"). The MEL is a risk-sharing public entity risk pool that is a self-administered group of joint insurance funds established for the purpose of providing excess insurance coverage to participating members.

OCEAN COUNTY MUNICIPAL JOINT INSURANCE FUND  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 11: JOINT VENTURES (CONTINUED)

Each member appoints an official to represent their respective joint insurance fund for the purpose of creating a governing body from which officers for the MEL are elected.

As a member of the MEL, the Fund could be subject to supplemental assessments in the event of deficiencies. If the assets of the MEL were to be exhausted, members would become jointly and severally liable for the MEL's liabilities.

The MEL can declare and distribute dividends to members upon approval of the State of New Jersey Department of Insurance. These distributions are divided among the members in the same ratio as their individual assessment relates to the total assessment of the membership for that fund year.

New Jersey Municipal Environmental Risk Management Fund

Effective January 1, 1995, the Fund became a member of the New Jersey Municipal Environmental Risk Management Fund (the "Environmental Fund"). The Environmental Fund provides its members with various environmental related coverage.

The Environmental Fund is a risk-sharing public entity risk pool that is both an insured and self-administered group of joint insurance funds established for the purpose of providing low-cost insurance coverage for their respective members in order to keep local property taxes at a minimum. Each member appoints an official to represent their respective entity for the purpose of creating a governing body from which officers for the Environmental Fund are elected.

As a member of the Environmental Fund, the Fund could be subject to supplemental assessments in the event of deficiencies. If the assets of the Environmental Fund were to be exhausted, members would become responsible for their respective shares of the Environmental Fund's liabilities.

The Environmental Fund can declare and distribute dividends to members upon approval of the State of New Jersey Department of Insurance. These distributions are divided among the members in the same ratio as their individual assessment related to the total assessment of the membership body.

OCEAN COUNTY MUNICIPAL JOINT INSURANCE FUND  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 12: CONTINGENCIES

In the normal course of its operations, the Fund has a number of lawsuits filed by claimants in various stages. Although estimated loss reserves have been established by the Fund, a number of these cases may possibly be settled for amounts in excess of the Fund's loss reserves. No provision for these contingencies has been included in the financial statements since the amounts are not reasonably estimable.

NOTE 13: RISKS AND UNCERTAINTIES

While there are many issues that are increasing claims cost for New Jersey public entities, management is confident that the MEL and its affiliated JIFs are in an exceptionally strong position because of decades of conservative financial practices. Management continues to evaluate the impact of the COVID 19 pandemic on workers' compensation and has established a special COVID litigation reserve of \$5.5 million. Workers' compensation claims are also expected to increase because of recent changes in the public employee pension plans that will reduce the plans' contribution in total disability claims. Fortunately, MEL members are experiencing a lower rate of other employee accidents because of improved safety programs. Liability claims are increasing because of the recent change in the statute of limitations for sexual molestation law suits and the reluctance of the NJ Court System to grant summary judgements when Title 59 immunities should apply. Management also expects another sharp increase in excess and reinsurance premiums, especially for property insurance and cyber liability insurance. To mitigate these increases, the MEL is planning an additional rate adjustment for 2023.
